

# ***PART TIME EDUCATION INSTRUCTOR (SPACE AFTER DARK)***

Space Center Houston is the official visitor's center to NASA's Lyndon B. Johnson Space Center.

We are currently recruiting for Education Instructors to guide students through educational activities during evening programs. Space After Dark is an evening program designed for out-of-town field trips. Students visit in the evening, and again the following morning. Fifteen hours of college credit in Education, Child Development, Psychology or a related field preferred. Camp counselor or teaching experience a plus! The availability to work at least 2 evenings during the week as well as weekend evenings is preferred.
