

Official Visitors Center of NASA's Johnson Space Center

PART TIME WARDROBE LEAD

Space Center Houston is the official visitor's center to NASA's Lyndon B. Johnson Space Center.

We are currently recruiting for a Part Time Wardrobe Lead (20-25 hours per week) to support the Operations department by caring for and organizing Space Center Houston's costumes and wardrobe property. The end goal is to provide each crew member with a costume that is neat, clean and properly fit to inspire a visual sense of self confidence and show. **This positions requires strong sewing skills to perform alterations to costumes as needed.** Ability to reach overhead racks, and move laundry bags weighing approximately 35 lbs.

\$12.95/hour
