THEMED  
TEACHER CAMP-IN

OCTOBER 26, 2007

Jump to light speed with an evening filled with meaningful learning!

**Is this camp just for science teachers?**

No. Space Center Houston strives to use space to teach across the curriculum. The activities presented can be used for science, language arts, mathematics, and history. The camp-in is also a great place for departments or schools to participate as a team.

**Who can attend this camp-in?**

The camp-in is for teachers of all grade levels. You will be divided into groups with teachers of the same grade level and the sessions will be geared accordingly and will meet the TEKS.

**What will you do?**

You will earn 12 hours of CPE credit and spend the evening mixing with fellow teachers and learning how to implement space into your classroom! You will also receive reproducible copies of the activities for your grade levels.

**Registration:**

You should pre-register for the Teacher Camp-in by completing the attached form and returning it to Space Center Houston with your method of payment.

\$70 (Registrations received by Sept. 1st)

\$75 (All other registrations)

**Cancellations:**

Due to the popularity of Teacher Camp-in, there are no cancellations. No refunds will be given. However, registrations are transferable to fellow colleagues.
