

Official Visitors Center of NASA's Johnson Space Center

2009-2010 Academic Year

Dear Educator,

Space Center Houston has received a grant that will help support Title One Schools. We would like to provide the opportunity for all students to be inspired by the Space Program. If your school is designated as a Title One School, we invite you to submit a proposal to our "Sponsorship Program." Please understand that the "Sponsorship Program" resources are limited and should only be explored when all other avenues have been exhausted.

Space Center will offer a **\$5.95** rate per person to approved Title One Schools for field trips taken August 25, 2009 through December 31, 2009. **If you are approved, you may purchase up to 100 admission tickets per school, per school year at the \$5.95 rate to visit Space Center Houston.** Proposals for spring 2010 field trips will be accepted, but no funds will be awarded until after December 31, 2009. Your admission will include all exhibits and attractions, as well as the giant screen films and the tram tour to NASA. **If your group requires additional tickets over the total 100 Sponsor tickets, the price will be \$9.95 per person.**

To apply to the "Sponsorship Program," fill out the attached application form and return it to Space Center Houston at least two weeks prior to the date you would like to visit.

Once your proposal is received, it will be reviewed and evaluated by Space Center Houston. Space Center Houston will contact the lead teacher to either confirm the date for his or her visit or explain why the discounted \$5.95 admission cannot be awarded. Only complete applications will be accepted.

Please send your application as early as possible as funding for the program is limited.

Please fax your proposal to Attention: Sponsorship Program (281) 283-7724 or mail it to:

Space Center Houston  
Attn: Educational Programs / Sponsorship Program  
1601 NASA Parkway  
Houston, TX 77058

Thank you and if you have any further questions regarding the Sponsorship program please call 281-244-2142.

Sincerely,

*The Education Crew*
