Education Instructor – Evening/Weekend Programs

Space Center Houston, owned and operated by the non-profit Manned Space Flight Education Foundation, Inc., is the official visitor center of NASA Johnson Space Center. The center features more than 400 space artifacts, attractions and theaters related to the exciting future and remarkable past of America's human space-flight program. Join a fun and exciting museum environment.

Currently, we are seeking part-time Education Instructors to provide inspiring education experiences and exceptional guest service to students visiting Space Center Houston. Evening & Weekend Educational Programs include: Space After Dark and Scout Camp-Ins.

POSITION RESPONSIBILITIES:

- Supervise and guide student groups during educational activities.
- Set up, conduct, and facilitate education activities for students to fulfill program requirements.
- Function as a teacher for the program interacting with students to promote teamwork and problem-solving skills.
- Participate as an active member of the Education team assuming other duties and responsibilities deemed necessary to assure the efficient operation of the Education Department.
- Other duties as assigned.

POSITION QUALIFICATIONS

- Minimum 15 college credit hours in Education, Science, Child Development required or related work experience.
- Previous teaching experience preferred.
- Ability to learn and effectively teach program content.
- Ability to problem solve and adapt to unusual situations.
- Must be independent, reliable, and able to work with little supervision.
- A creative team player with a willingness to work hard, a commitment to quality.
- Ability to work productively/cooperatively in a team environment.
- Must be available to work evenings from approximately 4:00 pm-11:00 pm, on weekday and weekends.
- Hours of work will vary based on program schedules.

PAY RATE: \$9.50-\$13.00/hour (based on education and experience)

TO APPLY: Complete the application by clicking [here](#) and emailing careers@spacecenter.org.
