###

**The Manned Space Flight Education Foundation** is a 501(c)(3) nonprofit science and space learning center with extensive educational programs. Space Center Houston is the cornerstone of its mission to inspire all generations through the wonders of space exploration. The center draws more than 1 million visitors annually, was called "The Big Draw" by USA Today and generates a \$73 million annual economic impact in the greater Houston area. Space Center Houston is Houston's first Smithsonian Affiliate and the Official Visitor Center of NASA Johnson Space Center. More than 200,000 teachers and students from around the world visit the center annually to experience our educational space museum with more than 400 things to see and experience. For more information, go to [www.spacecenter.org](http://www.spacecenter.org).

**Imagine Exhibitions** is currently producing over 25 unique exhibitions in museums, science centers, aquariums, integrated resorts, and non-traditional venues worldwide. In addition to developing successful traveling exhibitions, Imagine Exhibitions designs, opens, and operates permanent installations and venues, and consults on building, expanding, and directing museums and attractions. With over 25 years of diverse experience in the museum and entertainment industries, Imagine Exhibitions consistently develops exhibitions that educate and excite while exceeding attendance goals. For more information, visit [www.ImagineExhibitions.com](http://www.ImagineExhibitions.com) or find us on [Facebook](https://www.facebook.com/ImagineExhibitions).
