

Space Center Houston is excited to offer scholarship funds for the 2018 Space Exploration Educators Conference.

General Program Information

This conference is for grades kindergarten to 12. Participants will have the opportunity to attend sessions hosted by scientists, engineers, and fellow educators who will offer receive ready-to-implement classroom ideas that can be used for science, language arts, mathematics, history, and more. Up to 24 hours of continuing professional education credit can be earned from this conference.

Application Selection Process

Due to the high demand of this program, scholarships will be awarded based on the impact attending the conference will have on the applicant and their organization. Applications must be submitted by Nov. 13, 2017 to be considered. Selected applicants will be notified via email by Nov. 17, 2017 if they are selected. All applications that are not selected will be kept on file and contacted in the case of cancellations.

Cancellation Policy

Educators whose applications are selected and have confirmed participation but cancel in under two weeks or fail to appear at the conference will be unable to apply for the program the following year. You must send a written notice of cancellation to seec@spacecenter.org at least two weeks (14 days) prior to the conference. Cancellations are official upon receipt of confirmation from Space Center Houston.

Submission Instructions

In order to have your application considered, fill out the following pages. In the space provided make sure to explain in detail how you believe the Space Exploration Educators Conference will impact you, your students, and your school.
