

# Photography Request Form

Space Center Houston is a nonprofit science and space exploration learning center and the Official Visitor Center for Johnson Space Center. In order to protect the integrity of the Foundation's mission and philosophy, the following information must be completed in order to consider the request. Completing this form does not guarantee acceptance of your request. To allow us to fully evaluate your request, please complete as much information as possible. Email the completed form to [communications@spacecenter.org](mailto:communications@spacecenter.org). Once we've evaluated the request, we will give you our decision.

The video footage obtained of Space Center Houston's exhibits cannot be reproduced, altered, sold, or used for any other promotional purpose without written approval of Space Center Houston. Said usage of photography and recordings shall not be libelous, slanderous or derogatory in any manner of the Foundation, its museum, Space Center Houston, assigns or of NASA.
