

Space Center Houston Education Instructor

The mission of Space Center Houston is to inspire all generations through the wonders of space exploration. Our vision is to be the world's leading science and space exploration learning center. Owned and operated by the nonprofit Manned Space Flight Education Foundation, we are the Official Visitor Center of NASA Johnson Space Center. The center features more than 400 space artifacts, hands-on interactive educational exhibits, and robust youth programs interpreting the exciting future and remarkable past of America's human spaceflight program.

We are currently seeking part-time Education Instructors to provide inspiring educational experiences and exceptional guest service to students visiting Space Center Houston. Responsibilities and qualifications are shown below:

POSITION RESPONSIBILITIES

- Professionally represent Space Center Houston by supervising, teaching and guiding student groups during educational activities.
- Set up, conduct, and facilitate education activities for students to fulfill program requirements.
- Lead programs and interact with students to promote teamwork and problem-solving skills.
- Set a positive example for students by demonstrating cleanliness, punctuality and respect for others.
- Understand and follow safety guidelines of Space Center Houston with respect to student safety and supervision.
- Participate as an active member of the Education team assuming other duties and responsibilities deemed necessary to assure the efficient operation of the Education Department.
- Other duties as assigned.

POSITION QUALIFICATIONS

- Minimum 30 college credit hours required. Degree and/or coursework in Education, Science, or Child Development preferred.
- Previous teaching experience and/or related work experience strongly preferred.
- Ability to adhere to all company safety standards, service values, and operating procedures.
- An enthusiastic and outgoing personality with strong interpersonal and communication skills. A genuine desire and willingness to provide an excellent guest experience and proactively engage guests.
- The ability to work well as part of a team environment.
- Ability to problem solve and adapt to unusual situations.
- Must be independent, reliable, and able to work with little supervision.
- A creative team player with a willingness to work hard, a commitment to quality.
- Ability to move quickly through crowded spaces to reach guests who need assistance and assist guests in emergency situations as needed.
- Must be available to work a varied schedule of weekdays, weekends and evenings as needed. Hours of work will vary based on program schedules.

Space Center Houston is an equal opportunity employer. It has a diverse and inclusive work culture with a creative, fun and collaborative environment.

We inspire all generations through the wonders of space exploration.

Manned Space Flight Education Foundation
Houston, Texas
March 2019
