

Playing with Light – Accessibility & Sensory Guide

Note: This temporary exhibit is about light as experienced through the electromagnetic spectrum. There is limited accessibility to those who are blind, have certain types of visual loss, or are colorblind. The entire plaza area is dark, to better showcase the spectrum of light. Signs and videos are written or captioned in English.

<p>Entry Tunnel</p>		<ul style="list-style-type: none"> 👤 Large tunnel – low impact 👁️ Bright lights react to motion 👂 Medium-loud volume sound effects and music react to motion ♿ Completely wheelchair accessible
