

Galaxy Lights Sensory Guide

Galaxy Lights is the most interactive and technologically advanced light display in Texas. There is limited accessibility to those who are blind, have certain types of visual loss, or are colorblind. People with light sensitivity should be prepared for a dynamic and intensive light show.

<p>Entrance</p>		<ul style="list-style-type: none"> 👤 Enormous Christmas Tree, possible wait to get in – low impact 👂 Holiday Music – medium volume and impact 👁️ Enormous Christmas Tree with static lights – medium impact
<p>Main Plaza Dynamic Light Show (Approximately every 15 minutes)</p>		<ul style="list-style-type: none"> 👤 Audio/visual only – low impact 👂 LOUD holiday music – very high volume and impact 👁️ Bright colorful lights, rapid movement, quickly changing colors and intensity, - very high impact
